White Dove - Scorpions

2 Syllary

1. SLOKA

A place without a name
Under a burning sky
There's no milk and honey here
In the land of God

2. SLOKA

Someone holds a sign
It says we are human, too
And while the sun goes down
The world goes by

REFRÉN

White dove
Fly with the wind
Take our hope under your wings
For the world to know
That hope will not die
Where the children cry

3. SLOKA

Waves, big like a house
They're stranded on a piece of wood
To leave it all behind
To start again

4. SLOKA

But instead of a new life
All they find is a door that's closed
And they keep looking for
A place called hope

And now your telling me
You've seen it all before

Well, the golden lamb we sent
Makes us feel better now
But you know it's just a drop
In a sea of tears
